

DRAFT CERS Regulator User Group Stakeholder List

9/7/10

Actions

- Finalize Stakeholder List
- Determine number of members per stakeholder group
- Select members to represent each stakeholder group
- Identify stakeholder member alternates
- Notify all interested parties of outcome
 - Those not selected as member or alternate may participate unaffiliated but cannot vote

Note: Names are draft only based on previous participation in eWorkgroup or other electronic reporting efforts. Not all interested individuals are listed here (yet)
